Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Sent for circular free.

In a city the size of Chickasha there is always one jewelry store that is generally considered to be the best place to buy diamonds.

In Chickasha we believe that most people, if they had an opportunity to express a choice, would prefer to have their diamonds come from Flatau's.

Here you will find quality considered more than size. Every diamond is carefully graded and priced, at absolute value.

It is a pleasant thing to know that the reputation and responsibility of this jewelry store in Chickasha is back of every diamond you purchase at this establishment.

ARE YOU LOOKING OLD?

Old age comes quick enough without inviting it. Some look old at forty. That is because they neglect the liver and bowels. Keep your bowels regular and your liver healthy and you will not only feel younger but look younger. When troubled with constipation or biliousness take Chamberlain's Tablets. They are intended especially for these ailments and are excellent. Easy to take and most agreeable in effect. Obtainable everywhere.—Adv.
